Jim, as with most data reports, I do not envision commenting on or approving this report. Data reports should be viewed reference materials for information purposes only. However, should errors, omissions or inaccuracies be identified, we should forward these on to the LWG.

Eric

RD2 Benthic Tissue & Sediment
Data Report

Eric,
Please let me know if & when you are looking for comments from DEQ on the LWG's 9/1/06 (received 9/11) "RD2 Benthic Tissue & Sediment Data Report".

Thanks
